**Item 8.01 Other Events**

On January 25, 2026, Stryve Foods, Inc. experienced a weather-related event that caused damage to its production facility located in Madill, Oklahoma. As a result of the weather, the Company sustained material damage to the building, equipment and inventory.

As a result of the damage, the Company has suspended production at the Madill facility while it assesses the full extent of the impact and undertakes remediation and repair efforts. The Company has initiated its business continuity and recovery procedures and is working with contractors and insurance carriers to evaluate damage and begin restoration activities as soon as possible.

The Company maintains property and business interruption insurance coverage applicable to the facility and intends to pursue for covered losses. At the time, the Company is evaluating the financial impact of the event, including potential repair costs, insurance recoveries and the effect of any temporary production disruption on its operations. The Company will provide additional updates as appropriate.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
